
Mr. Esmaeil Arbabi

Consultant Ophthalmic Surgeon

MBChB, PGDip, CERT LRS, MSc, FRCOphth

Mr Arbabi has a very keen interest in medicolegal cases and has provided expert review in very complex cases for many years. He is a fellowship-trained consultant ophthalmologist at the Royal Liverpool University Hospital where he leads the Refractive services. He specialises in corneal transplant, cataract & laser refractive surgery. He graduated with his medical degree from the University of Leeds, and he was also awarded the prestige master's degree (MSc) in the fields of cataract and laser refractive surgery from the University of Ulster in association with Royal College of Ophthalmologists. During his eight-years Ophthalmic Specialist Training, he has gained a wealth of experience in hospitals across the United Kingdom. This includes completing one year of Advanced Sub-Specialty Training in Corneal and Laser Refractive Surgery at St James University Hospital, Leeds, and completing an extended corneal and refractive surgery fellowship at The Royal Liverpool University Hospital.

He has an extensive research interest and published many papers in highly reputable and peer-reviewed journals such as Journal of Refractive Surgery and British Medical Journal (BMJ). He has also been involved in clinical trials, more recently as Principal Investigator. His has presented his work in national and international conferences.
