## Mr. Huzaifa Malick

### Consultant Ophthalmic Surgeon

**MBChB, FRCOphth, PGCertMedEd**

Mr Huzaifa Malick is a Bond Solon trained expert witness and works as a consultant ophthalmologist specialising in glaucoma and cataract surgery at the University Hospitals of Leicester NHS Trust. He graduated from the University of Manchester medical school and subsequently undertook ophthalmic subspecialty training in North Wales, South Wales and the East Midlands. He developed a particular interest in glaucoma surgery and pursued this at the Leicester Royal Infirmary followed by a dedicated glaucoma clinical fellowship at the Queen's Medical Centre in Nottingham.

Mr Malick has published widely and presented research at both national and international conferences as well as being awarded a prize for best research from the United Kingdom and Eire Glaucoma Society. He holds a postgraduate certificate in medical education and regularly trains specialty registrars and clinical fellows interested in pursuing a career in glaucoma. He is an examiner for the University of Leicester Medical School, and a Bond Solon trained Expert Witness.
